

Asian Healthcare Group is one of the fastest growing healthcare chains in the country. In a short span of 9 years, it has created a niche for itself in the states of Delhi, Haryana, UP, Bihar and Jharkhand through its philosophy of affordable, accessible and best available healthcare for people close to where they live. The group's flagship hospital, Asian Institute of Medical Sciences, Faridabad continues to be India's premier healthcare destination at par with the best in the world.

# Dhanbad's First SUPER SPECIALITY HOSPITAL

## धनबाद के स्वास्थ्य प्रहरी

“Dhanbad now has its very own Super Speciality Hospital for treatment of all complex medical conditions. The people of Dhanbad will be able to access these services in their city. We are proud to bring in one of its own state-of-the-art facility to Dhanbad”.

**Dr N K PANDEY**  
MBBS, FRCS (Edinburgh), FRCS (Glasgow), FICS, FACS  
Chairman & Managing Director  
Asian Healthcare

Asian Dwarkadas Jalan Super Speciality Hospital, a state-of-the-art facility, is the first super speciality hospital of Dhanbad. A venture of Asian Healthcare, the hospital caters to the healthcare needs of the entire region including parts of its neighbouring states like Bihar, Odisha and West Bengal.

Featuring one of the most accomplished team of specialists and top end medical technology and infrastructure, this hospital is the "PRIDE OF THE COAL CAPITAL" of India. Asian Healthcare is committed to delivering **ACCESSIBLE, AFFORDABLE & BEST AVAILABLE** healthcare to the people when they need it, where they need it. Now, people of Dhanbad don't have to travel out for any type of treatment.
